Dr. Tilak Chatterjee, Principal, Bankim Sardar College, based on his connections, contacted with Biswajit Dutta, Entrepreneurship Programme, Tata Consultancy Service (TCS), CSR, West Bengal. Over several telephonic conversations between them, TCS primarily agreed to conduct their Youth Employment Programme (YEP), a part of their Corporate Social Responsibility (CSR) for the Students of Bankim Sardar College. Accordingly, communications were made with TCS, Mumbai for the introductory meeting between TCS and Bankim Sardar College.

On 26.04.2022 at 10.15 a.m., an online meeting was held between TCS & Bankim Sardar College. (Link of the Meeting - <https://meet.google.com/jry-ubxb-xnz>).

In this meeting, officials from TCS discussed the details about YEP and the Principal, Bankim Sardar College discussed, in detail, about the college, what could be the demand of the students studying here, how the course could be a successful one, etc. Officials from TCS were convinced by the presentation of the principal and readily agreed to conduct YEP at Bankim Sardar College as per their norms and regulations, that is, a 100-hour course for the passed-out students of the last two years (2020 & 2021) and the final year students of present year (2022). It was decided that Shruti Gupta and few members of the YEP, TCS would remain present on Day-2 (19.05.2022) of the ICSSR-ERC sponsored Two-Day National Conference “EDUCATION POLICIES AND ROLE OF SKILL DEVELOPMENT IN GENERATING EMPLOYABILITY & STRENGTHENING INDUSTRY-ACADEMIA INTERFACE” organized by Department of Economics, Bankim Sardar College & Internal Quality Assurance Cell Bankim Sardar College in Collaboration With Department Of Economics & Internal Quality Assurance Cell Surendranath College for Women, Kolkata, West Bengal and Bengal Business Council, Kolkata. It was further decided that two more online meetings would be held between Bankim Sardar College and TCS. One for the orientation of the professors of Bankim Sardar College about this programme and another one for the orientation of the students.

On 27.04.2022, Principal, in his chamber, informed Department of Economics (both the teachers were present) that they have been given the responsibility, decided in the Governing Body’s meeting held on 25.04.2022, to take the charge of the YEP course which would be conducted by TCS at Bankim Sardar College. Both the teachers of Department of Economics agreed to do so. Dr. Nilendu Chatterjee agreed to be the ‘Nodal Officer’ from Bankim Sardar College for this course.

Department of Economics and Internal Quality Assurance Cell (I.Q.A.C.) of Bankim Sardar College organized a Two-Day National Conference on “Education Policies and Role of Skill Development in Generating Employability and Strengthening Industry-academia Interface” in collaboration with Department of Economics and Internal Quality Assurance Cell (I.Q.A.C.) of Surendranath College for Women, Kolkata and Bengal Business Council on 18-19 May’ 2022. sponsored by Indian Council for Social Science Research – Eastern Regional Council (ICSSR-ERC). They explained every bit of YEP in front of students and teachers of several Colleges across West Bengal. Their representation was very much mesmerizing, including the speech of the ex-student and presently employed TCS employee who came up from a very poor family and tasted the success by means of his hard work and support from TCS. This session readily caught attention of the Principals and teachers of other colleges and they approached TCS for conducting YEP in their colleges as well. The programme became a grand success and it was published in the newspapers.

On the end of the course, six students faced interview in Tech. Mahindra and four of them got selected which itself is an achievement. During campusing drive conducted by TCS at their head office in Kolkata, 30 students from Bankim Sardar College appeared and 9 of them succeeded in the first round of test. 3 students have cleared the second round of interview and they have been selected by TCS. Rest of the students are waiting for the second round of interview. Such a phenomenon is unique from several aspects for this college and its students. The second batch is all set to begin in November with more enthusiastic pass-out students.
