

The second year of the festival - Sundarmon – The College Week

Mentors (- the Teachers -) would encourage their Mentees (- the students -) and make them participate in several students' centric events and make them feel that even **I can do.**

Why Mentoring

Mentors imbibe self belief

এই সকল অনুষ্ঠান আয়োজনের মধ্য দিয়ে ছাত্র ছাত্রীদের কথা বলার শৈলী এবং কথা বলার অভ্যেস গড়ে তোলা সম্ভব।

We believe that by participating and performing in these programmes young people would learn to speak before audience and start building the habit of speaking.

আমাদের বিশ্বাস এই ভাবে এই অঞ্চলের ছেলেমেয়েদের মধ্যে একটি সাংস্কৃতিক পরিবর্তন করা সম্ভব এবং এদের মানবিক গঠনে আত্মবিশ্বাস গড়ে তোলা সম্ভব।

We further believe that such functions would bring a cultural change amongst the students of this rural region and more importantly the students will be able to develop self esteem and confidence in their personality building exercise.
