English -- Honours

Paper: SEC- B2(SEMESTER 4)

Full Marks: 80

1. What citation style should you use?10
2. Write a critical appreciation of any of the following poems:20

- (a) From fairest creatures we desire increase,  
That thereby beauty's rose might never die,  
But as the ripper should by time decrease,  
His tender heir might bear his memory:  
But thou, contracted to thine own bright eyes,  
Feed'st thy light'st flame with self-substantial fuel,  
Making a famine where abundance lies,  
Thyself thy foe, to thy sweet self too cruel.  
Thou that art now the world's fresh ornament  
And only herald to the gaudy spring,  
Within thine own bud buriest thy content  
And, tender churl, makest waste in niggarding.  
Pity the world, or else this glutton be,  
To eat the world's due, by the grave and thee.
- (b) For shame deny that thou bear'st love to any,  
Who for thy self art so unprovident.  
Grant, if thou wilt, thou art beloved of many,  
But that thou none lov'st is most evident:  
For thou art so possessed with murderous hate,  
That 'gainst thy self thou stick'st not to conspire,  
Seeking that beauteous roof to ruinate  
Which to repair should be thy chief desire.  
O! change thy thought, that I may change my mind:  
Shall hate be fairer lodged than gentle love?  
Be, as thy presence is, gracious and kind,  
Or to thyself at least kind-hearted prove:  
Make thee another self for love of me,  
That beauty still may live in thine or thee.

3. Write the substance (in not more than one hundred and fifty words) on any of the followings, and add a critical note on its theme and style: 12 + 8 = 20

(a) Four Seasons fill the measure of the year;

There are four seasons in the mind of man:  
He has his lusty Spring, when fancy clear  
Takes in all beauty with an easy span:  
He has his Summer, when luxuriously  
Spring's honied cud of youthful thought he loves  
To ruminate, and by such dreaming high  
Is nearest unto heaven: quiet coves  
His soul has in its Autumn, when his wings  
He furleth close; contented so to look  
On mists in idleness—to let fair things  
Pass by unheeded as a threshold brook.  
He has his Winter too of pale misfeature,  
Or else he would forego his mortal nature.

(b) Remember me when I am gone away,

Gone far away into the silent land;  
When you can no more hold me by the hand,  
Nor I half turn to go yet turning stay.  
Remember me when no more day by day  
You tell me of our future that you planned:  
Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.

4. Write an *Essay* on any one of the following topics:

30

- a) Wessex in Hardy's novels
- b) The novel as a literary form
- c) Love theme in Shakespeare's Romantic Comedies
- d) Tragic Hero
- e) Picaresque Novel
- f) Satire in English literature
- g) Wordsworth as a romantic poet.
